

[F6 VISA IMPORTANT REMINDERS]

- Applicant and spouse should be married in both countries before applying for a F6 Spouse Visa.
- Medical Examinations can be done at your preferred clinic/hospitals however, TB Screening should be done at the designated hospitals accredited by the Korean Embassy. (Please refer to the file attached)
- Please prepare in advance your PSA documents as it may take longer to be issued from the PSA.
- English Interview is to be scheduled after the completion of your application. (Please note that your interview is to be scheduled 1-2 days after your application)

Validity of Documents

- Korean Documents such as (혼인관계증명서, 가족관계증명서, 기본증명서) are only valid for 3 months from the issued date.
- Korean Medical Certificate is only valid for 6 months from the date of issuance.
- PSA Birth Certificate and Marriage Certificate are valid regardless of the issued date as long as they are original and issued by the PSA.

**Please double check the Korean Embassy Website for detailed information and updates about F6 Spouse Visa (https://overseas.mofa.go.kr/ph-en/brd/m_3281/list.do)
